STORY GUIDE

INTERACTIVE ACTIVITIES, DISCUSSION IDEAS & CREATIVE FUN

EXPLORE THE MAGIC OF KINDNESS, IMAGINATION, AND CHRISTMAS WONDER

FOR PARENTS, TEACHERS, LIBRARIANS & CAREGIVERS

AGES 4–9

Dear Parents and Teachers,

Thank you for welcoming Jingle Socks into your home or classroom!

This little elf arrives with a simple but powerful message: Christmas magic grows when we are kind, when we believe, and when we share joy with others.

This Story Guide is designed to help you and the children in your care go deeper into the poems. Inside you will find gentle discussion questions, creative activities, and printable pages that encourage kindness, imagination, and holiday wonder.

There are no right or wrong answers — only opportunities to talk, create, laugh, and connect.

I hope these pages help make the Christmas season a little more magical for you and the children you love.

With warm wishes,
Meemee Norman

Story Themes at a Glance

Jingle Socks invites us to explore these beautiful ideas:

1. Kindness & Good Deeds

Every night Jingle Socks flies to Santa to share the good things children have done. Small acts of kindness matter.

2. The Magic of Belief & Imagination

Magic is real when we believe in it — and when we protect it with care.

3. Respecting Boundaries

"Please don't pick me up." Jingle Socks teaches us that everyone (even elves!) has boundaries that keep their magic safe.

4. Creativity Restores Magic

If the magic is ever lost, it can be brought back by singing, dancing, or ringing a Christmas bell. Joy and creativity are powerful.

5. Spreading Christmas Wonder

The season is brighter when we share smiles, adventures, and light with others.

Creative Activities

1. Good Deed Reporter

- *Become Jingle Socks for a day! Draw or write three kind things you notice (or do) and "report" them to Santa.*

2. Magic Moves

- *Create a short "Magic Restoration" routine: a song, a dance, or a special way of ringing a bell. Perform it together whenever you need extra Christmas joy.*

3. Elf Hide-and-Seek

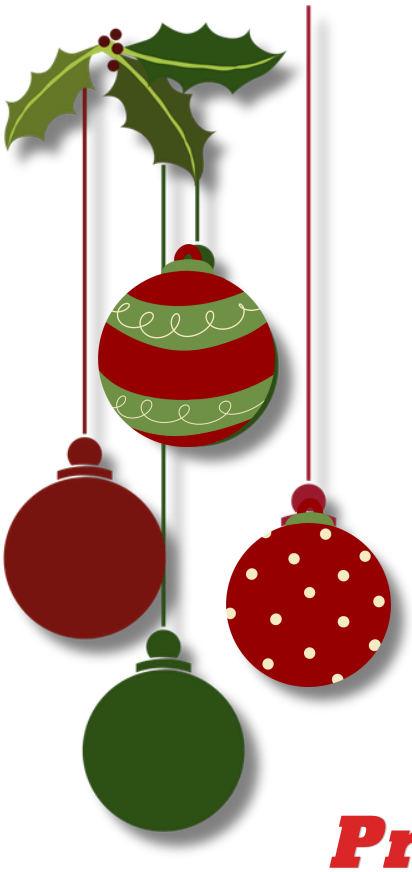

- *Draw or print a small Jingle Socks. Take turns hiding him in a new spot each day. The finder gets to choose the next hiding place — but remember: look with your eyes, not your hands!*

4. Design Your Own Elf Socks

- *Draw a pair of magical socks for Jingle Socks. What colours, patterns, or special powers do they have?*

5. Christmas Bell Wishes

- *Ring a real or imaginary bell and take turns sharing one wish for the season that involves kindness or helping others.*
